For New Construction:

Gas, Plumbing, Electrical Permit Fee.....\$180.00 each

Each time the Inspector must revisit the installation, you will be billed \$60.00.

The inspector will not sign off on the building card until all charges are paid.

For renovations, alternations, and additions the Inspector will determine how many visits are necessary and charge accordingly. The charges will be based on the scope, complexity and size of the job. In most instances, the job will require only one inspection. Each time the Inspector must revisit the installation, you will be billed \$60.00. The inspector may determine additional fees to other projects.

In General, other than new construction:

Gas, Electrical and Plumbing Permit Fees.....\$60.00 each inspection

Permits for work should be secured before work is begun. **Failure to acquire** the necessary permit before work is started will result in an added charge to the permit of \$150.00. Except for building permits which must be secured directly from the Building Inspector, those applying for a permit should complete the standard permit application forms available on the town website and forward the form with payment payable to the **Town of Granville**, PO Box 247, Granville, MA 01034. Along with the form and payments, you must complete Worker's Compensation Insurance Affidavit and its attachments, and provide a copy of your professional license.
