## Recipe of the month

### *Cranberry Christmas Cake*

3 eggs

2 cups sugar

¾ cup butter (room temperature)

1 tsp. vanilla

2 cups all-purpose flour

12 oz. fresh cranberries (washed and halved)

1 apple, peeled and diced

(gluten free substitution)

1 ¼ cup brown rice flour

½ cup potato starch

¼ cup tapioca starch

1 tsp. xanthan gum

Preheat oven to 350 degrees with a mixer, beat eggs with the sugar until slightly thickened and light in color about 5 to 7 minutes. The mixture should almost double in size. The eggs work as the leavening agent in this recipe so do not skip this step. This mixture should form a ribbon when you lift the beaters out of the bowl. Add the butter and vanilla; mix two more minutes. Stir in the flour until just combined. Add the cranberries and apple and stir to mix throughout.

Spread in a buttered 9x13 pan. Bake for 40 to 50 minutes or until very lightly browned and a toothpick inserted near center comes out clean. Let cool completely before cutting into small pieces. (Optional: mix 1 tablespoon milk with ½ cup confectioner's sugar and drizzle over cooled cake)
