Season's Greetings

from the Bouwer Family!

Thank you, everyone, for your kindness and generosity this year. It has been a trying time for us, and we wouldn't have made it through had it not been for the out-pouring of support from the community. It's a new life for us now and all we can do is learn to adjust and take it step by step.

As many of you know, the Benefit for Chris was a huge success. We'd like to thank everyone who attended, donated, and helped with the logistics. We were pleasantly overwhelmed to see so many of you, and hope you had a wonderful time! As difficult as the last few months have been, your love and support has made all the difference. It has been truly heart warming to have our community rally around us.

So, from the whole family, thank you. For every donation, encouraging word, greeting card, warm smile, and every ounce of kindness, THANK YOU. It is wonderful and touching to be part of a community that cares so much. We hope your holidays were safe and cheerful, and that your new year be filled with happiness.

~ The Bouwers

Winter Roads Policy Town of Granville, MA

On-street parking is prohibited until May 1st. Vehicles will be towed at the owner's expense.

During winter road treatment operations, main roads will be given priority.

Plowing, shoveling or blowing snow onto or across Town roads is illegal.

Granville is the source of public drinking water supplies for several communities. It limits the use of salt as a deicer.

During winter conditions residents should limit travel and proceed with extreme caution.

Residents are encouraged to use tires with snow tread between October 1st and May 1st.

Extra travel time should be allocated to compensate for slower travel speeds during winter conditions.

Town Roads, or sections thereof, with low use patterns may be closed for winter maintenance. This allows road clearing resources to be used more efficiently. Alternate routes will be maintained.

Wildcat & Cobble Mountain Road will not be maintained and are closed to traffic.

When a snow emergency is declared, residents should limit travel to emergencies.

MEMA'S Winter Preparedness Steps to Take Before the Storm

Protecting Your Family and Home

FRAMINGHAM, MA – "Before snow, ice and severe winter weather hit the region, it is important that you take the proper steps to ensure the safety of your family and home," states Massachusetts Emergency Management Agency (MEMA) Director Kurt Schwartz.

> Understand the winter terminology used by weather forecasters:

1. Winter Storm Watch – Be alert, a storm is likely.
2. Winter Storm Warning – Take action, the storm is in or entering the area.
3. Blizzard Warning – Snow and strong winds combined will produce blinding snow, near zero visibility, deep drifts, and life-threatening wind chill. Seek refuge immediately.
4. Winter Weather Advisory – Winter weather conditions are expected to cause significant inconveniences and may be hazardous, especially to motorists.
5. Frost/Freeze Warning – Below freezing temperatures are expected and may cause damage to plants, crops or fruit trees.

> Trim dead tree branches and limbs close to your home. Ice, snow and wind can combine to snap limbs that can take down power lines or damage your home.

> Clean gutters. Melting snow and ice can build up if gutters are clogged with debris. When thawing begins, the water can back up under your roof and eaves causing damage to walls and ceilings.

> Check your homeowner's insurance policy to ensure adequate coverage.

> Have your chimney flue checked for any buildup of creosote and cleaned if necessary to lessen the risk of fire.

> Have sufficient heating fuel, as regular sources may be cut off. Have the option of emergency heating equipment and fuel (a gas fireplace, wood burning stove or fireplace) so you can safely keep at least

one room livable. Be sure the room is well ventilated.

> Ensure that your Smoke and Carbon Monoxide (CO) detectors are working correctly and have fresh batteries. Check your outside fuel exhaust vents, making sure that they are not obstructed by snow or ice. Never use cooking equipment intended for outside use indoors as a heat source or cooking device.

> Make sure your home is properly insulated. Caulk and weather-strip doors and windows to keep cold air out.

> Install storm windows or cover windows with plastic from the inside to provide insulation.

> To keep pipes from freezing, wrap them in insulation or layers of newspapers, covering the newspapers with plastic to keep out moisture. Let faucets drip a little to avoid freezing.

> Know how to safely shut off gas, electric power and water valves.

> If your water supply could be affected by a power outage (a well-water pump system), be prepared to fill your bathtub and spare containers with water. Water in the bathtub should be used for sanitation purposes only, not as drinking water. Pouring a pail of water from the tub directly into the bowl can flush a toilet.

> If pipes freeze, remove insulation, completely open all faucets and pour hot water over the pipes, starting where they are most exposed to the cold. A hand-held hair dryer, used with caution, also works well.

> If electric power is lost, do not open the refrigerator or freezer door. Food can stay cold in a full refrigerator for up to 24 hours, and in a well-packed freezer for 48 hours (24 hours if it is half-packed). If you have medication that requires refrigeration, check with your pharmacist for guidance on proper storage during an extended outage.

> Review the process for manually operating your electric garage door.

> Ensure your Winter Emergency Supply Kit is stocked with supplies to enable you to survive on your own for at least three to five days. There should be a first-aid kit, essential prescription medicines, non-per-

ishable foods (those that require no refrigeration such as canned goods, dried fruits and nuts), a manual can opener, water (one gallon per person, per day), flashlights and extra batteries along with a portable radio or NOAA Weather Radio, baby-care or pet supplies items, extra blankets, sleeping bags and a fire extinguisher.

> Ensure that your Winter Emergency Car Kit is well stocked to keep you and your vehicle safe.

> Be a Good Neighbor. Check with elderly or relatives and neighbors who might need additional assistance to ensure they have made adequate preparations.

The Massachusetts Emergency Management Agency (MEMA) is the state agency responsible for coordinating federal, state, local, voluntary and private resources during emergencies and disasters in the Commonwealth of Massachusetts. MEMA provides leadership to: develop plans for effective response to all hazards, disasters or threats; train emergency personnel to protect the public; provide information to the citizenry; and assist individuals, families, businesses and communities to mitigate against, prepare for, and respond to and recover from emergencies, both natural and man made. For additional information about MEMA and Winter Preparedness, go to the MEMA website at www.mass.gov/mema.

Many thanks to the very talented ladies of the Granville Quilt and Needlework Guild for the beautiful Civil War reproduction quilt they made and donated to the museum. It is truly a work of art and will be a treasured artifact to hang in the museum for all to enjoy. The quilt will be on display at the Ice Harvest in February.

SAVE THE DATE! Saturday, February 4th from 12:00 – 3:00 is the fourth annual ice harvest on the shop pond at 42 Water Street. The event is being co-sponsored by NCCHP, the Suffield Historical Society, the Suffield Land Conservancy and the Granville Cultural Council. Come join Dennis Picard of Storrowton Village Museum as he demonstrates and encourages others to take a turn using the ice saw, breaker bar, pike pole and ice tongs to harvest ice the way our ancestors did in the days before refrigeration. For your listening pleasure, Rick Spencer will be performing a selection of songs from his "Historic Songs of American Work and Trades" program during the ice harvest. Guided tours of the museum will also be available. There is no charge for the event or for refreshments, but donations will be gratefully accepted. Rain date will be Sunday, 2/5. Check the museum website www.ncchp.org for updates.

New winter hours are in effect for January - March. Museum tours will only be available by appointment Monday – Friday for groups of 10 or more, or when the museum is open for special events. The Gift Shop is open daily Monday - Friday from 8:30 – 3:30. This winter we'll be busy planning new exhibits and finalizing our "living history" series schedule for 2012.

News from the Woodland Cemetery Association

We officers of the Woodland Cemetery wish to thank the CPA for our grant of \$2500.00 to repair tombstones at the Woodland Cemetery.

We chose Smith Monuments to do the work. Gary Tomastic made the repairs which he started in September. His work consisted of digging out around the stones, leveling side to side and back to front with trap rock dust and pea stones. Some stones required resealing with monument sealing compound and some with silicone.

The work was completed in October except for an infant stone which he brought to his shop to fix and will bring back in the spring.

The total bill was \$1800.00; our treasurer sent the balance of \$700.00 back to the CPA.

Thank you, yours truly

Start the New Year Right at Granville Federated Church!

Morning Worship is held each Sunday at 10 a.m. with the children leaving early in the service to attend Sunday School. Coffee Hour follows the service.

The Mitten and Hat Tree will be available throughout the season and Stuart Hayden will deliver our warm wear to the Springfield Council of Churches in January.

The first Potluck Supper will be held on Sat., Jan. 7 at 6 p.m. Cook up your favorite dish and join your friends and neighbors for a nice evening. Following supper we will play board games and/or cards. A special table will be set up for teenagers and young folks where they can play whatever game they bring or "The Ungame", a favorite with no winners or losers, just conversation starters and fun!

On the second Sunday of the month, Jan. 8, we will gather with the Rev. Patrick McMahon for a Bible Study at about 11:15 a.m. This discussion and the fourth Sunday Sermon Discussion, again with the pastor, are a great way to expand your understanding of our faith and get to know each other.

Our traditional, monthly, delicious breakfast will be served from 8:30 to 9:30 a.m. on Sun., Jan. 15. The menu includes pure West Granville maple syrup for pancakes or French toast, home fries, sausage or bacon, scrambled eggs, coffee and orange juice. There is usually a fruit bowl, and sometimes sweet bread. We thank Bobbie Ayers-O'Connell and Lisa Janzen for their faithful work in preparing these breakfasts.

CORRECTION:

Church School Project: The Sunday School children, under the leadership of Beth and Samantha Burzynski, again chose to support the Heifer Project. This year they are collecting money to purchase a Water Buffalo to be donated to a family in Thailand. With this animal the farmer will be able to raise more food and better take care of his family.

Last year, the children raised enough money for a Trio of Rabbits and a Pig to be donated to a family in a Third World Country through the Heifer Project.

Let's all help them with meet their worthy goal! A contribution of \$10 entitles the donor to a gift certificate to be used to honor a gift recipient with a really life-changing gift.

All are welcome at any and all events!

Granville P. D. wishes everyone a safe and prosperous new year!

For the remainder of 2011 and the entire year of 2012 the Granville Police will not be participating in the Governors Highway Safety Grant. Due to further reductions in federal funding only a select few agencies have been chosen to receive grant money to perform highway safety. Thus, Granville P.D. will experience yet another reduction in available funds, this time in the amount of approximately \$2700. Although we will continue to perform traffic safety as best as we can, our efforts will be severely hampered, as our budget continues to shrink.

In the February or March edition of the Country Caller, as in every year I will publish an end of year report regarding calls for service statistics for 2011.

From October 1 to November 30 2011 the Granville Police Department took reports/calls for service in the following categories.
