## TOWN CLERK'S CORNER....

by **Donna M. Fillion**

### Town Census

The Town Clerk's Office will be sending out the 2016 Annual Census forms by mail mid-January. Per Massachusetts General Law, census forms must be mailed to street addresses. If you have your mail sent to a post office box, call or come in for a form.

The board of registrars (Patty Dickinson, Marjanne Nobbs and Mary Woodger) are required by state statute to verify and update the name, address, age and occupation of all residents 3 years of age and older in preparation for the annual street list. All information on children age 17 and under is not a public record. Birthdates of residents will not be published due to the threat of identity theft. Compliance with state statute M.G.L. Ch. 51 § 4 provides proof of residence to protect voting rights, as well as providing information for the selection of jurors. The census form does not register one to vote. If one is a registered voter, failure to answer this annual census may result in the voter's name being removed from the voting list. A full and accurate count of all residents is important for many reasons including the basis for allocation of state and federal funds. It is essential that the forms be returned as soon as possible in order to update the census data and compile the annual census reports. Even a few late returns hold up completion of the new street list, as well as the up-to-date voting list. While the street list is primarily used to update the voting list, statistics on children are taken for the school committee providing data on current enrollment as well as present and future school population. The police, fire and emergency medical technicians also use the street list as an aid in the daily performance of their duties as well as other municipal departments. And don't forget the U.S. Veteran category; respond with yes or no in the column indicated.

### Dog Licenses

The census package will also include a dog license application for those dog owners who sometimes forget to license their dog. The board is also required under state statute to prepare a listing of dogs owned by each resident. All dogs that are six months of age or older must be licensed annually under M.G.L. Ch. 140. An updated proof of rabies vaccination is required prior to licensing as well as proof of spaying and neutering. Incomplete applications will be returned to the sender. We plan to hold a rabies clinic the 3<sup>rd</sup> Saturday in April (TBD) at which time you can license your dog(s).

### Nomination Papers

Nomination papers for candidates running for town offices will be available at the town clerk's office beginning January 4, 2016, for the annual town election to be held April 11, 2016.

Candidates for town office must obtain at least 30 signatures of registered voters town wide. The last day to file nomination papers with the board of registrars is February 23, 2016.

The following slates of office will be on the April ballot: one selectman for three years, one moderator for one year, one assessor for three years, one library trustee for three years, one constable for three years, and one member of the planning board for three years.

If any resident has questions pertaining to the census form, the dog license form or nomination paper you may call the town clerk's office for assistance at 357.8585 ext 3. Forms may be returned by mail or hand delivered to the town clerk's office.

## Massworks Grant to repair Route 57

Remarks prepared by Doug Roberts on the occasion of Granville being awarded a one million dollar Massworks Grant to repair Route 57.

October 30, 2015

Great Barrington Town Hall 1:00 p.m.

### Remarks

The Baker administration, Jay Ash Secretary Assistant Commissioner Juan Vega, Elected Officials, Senator Humason, Representative Boldyga, Granville Selectboard Richard Woodger, Ted Sussmann, and Dave Ripley.

The Generous Officials and Staff of the city Great Barrington, My fellow "Berksherians"

My Name is Doug Roberts and I am here today to say thank-you on behalf of the 1,600 residents of Granville and the 4,000 people a day that use Route 57 to commute to work and school.

Although we live in a time when cynicism about Government often prevails, the Mass Works Grant program is a perfect example of Government working and working well, and I thank everyone involved for their efforts, in this challenge.

I would also like to thank all of those who wrote letters of support for this effort especially the Selectboard from the Towns of Tolland and Southwick, Superintendent of Schools Dr. Berry and his staff, also Chief of Police Flebotte, Kathy Martin and Captain Granville Fire Department Patrick McMann, Beatrice Pratt and Catherine Crochiere for their hard work in preparing this application.

Finally, Robert Frost said, "And I took the road less travelled..." with the help of the Massworks grant program, when you drive through Granville, next fall, for the Harvest Fair, Apples, Cheese and Ice cream.... You will be able to take either road, Thank you very much.

## Winter Roads Policy Town of Granville, MA

In effect

from November 15, 2015 to April 15, 2016

Doug Roberts Superintendent of Public Works

- On-street parking is prohibited. Vehicles will be towed at the owner's expense.
- During winter road operations, major roads are a priority, therefore, Main Road, Granby Road and the Old Westfield Road will be cleared first.
- Depositing snow on a Town road is prohibited.
- Plowing snow across a Town road is prohibited.
- Granville is the source of drinking water, therefore, we limit the use of salt.
- Drive well below the posted speed.
- High quality snow tires are essential between October 15 and April 30.
- Allocate more time for commuting to compensate for slower travel speeds during winter conditions.
- Town Roads with low use patterns may be closed for winter maintenance. This allows for resources to be used more efficiently.
- During winter weather events residents should limit travel to essential trips only.
- Be aware of changing road conditions, flurries, morning frost and shaded areas become slippery rapidly, an isolated weather event often causes slippery conditions in one area or curve. Notorious for this are the Gorge, Hairpin Turn, the north end of Old Westfield Road, Water Street the corner by the Transfer station. Please communicate with inexperienced drivers these points and also a clear sense of all the dangers of driving in the winter.

However when there are five Saturdays, it leaves the fourth Saturday with no coverage. This is when we 'step up to the plate' and make sure that it is a full plate. Our next meal will be served on Saturday, January 23<sup>rd</sup>, 2016. If you would like to help, please give us a call.

Year round, the Ladies Aid donates \$38 per month to Compassion Child in support of a little girl in Haiti plus additional money for Christmas and birthday gifts. Her photo is on the bulletin boards. The women have supported a child for over 30 years this way.

## OBITUARY

### William Randolph Teter

Bill, age 56, passed away peacefully on Thursday, December 3, 2015, at Noble Hospital with his loving family by his side. Born in Albuquerque, NM, on January 8, 1959, the son of the late Ivan H. and Mildred (Shupe) Teter. As a young man, Bill had many accomplishments; he was the youngest man in NM to get his brokers' license, he also got his pilots' license as well as becoming a master falconer and was a nominee for the Olympic soccer team. Bill was only a few weeks' shy of graduating from college when his brother was diagnosed with terminal cancer and later miraculously healed by God. Bill left college to spend time with his brother where they shared a love for hunting, falconry, and Jesus Christ. Because of his passion to serve God he spoke God's word to many friends who became Christians. He also went on a year long mission trip to Missouri and later worked for a Christian ministry for three years. To continue his walk with God, he entered a Christian leadership training program where he met his future wife, Christina Jensen. Because of ministry failings they left this program together to get married and start a family. He moved to Granville 16 years ago where he became a farmer on Mountain Orchard. As his children grew older he shared his love of soccer with them by coaching many of their soccer teams and in later years you could find the Teter family playing 3-sided soccer at the Granville School.

The 'Notorious Bill Teter' enjoyed hunting, running his bird dog, making the 'world's best salsa', and playing soccer. He was a doting father and husband and loved to cook for and spend time with his family. He also loved striking up conversations with strangers, and in his caring way reached out with love until the left as friends. Bill described himself as "the most pleasant unpleasant person he knew." He was a God-fearing man who looked forward to the Lord's return and will be deeply missed by his family and friends.

William is survived by his beloved wife of twenty-eight years, Christina (Jensen) Teter; four loving children, Rachel Marie Teter and her husband Warren Hendrickson, William Ivan Teter, and his wife Rachel Marie, Leah Christina Teter, and Anna Tryphena Teter; and two sisters, Margaret Harrington and Mary Teter. He was predeceased by his brother, John Teter. "Jesus said to her, "I am the resurrection and the life. Whoever believes in me, though he dies, yet shall he live." John 11:25.

Funeral services were private and at the convenience of the family. In lieu of flowers, memorial contributions may be made to the Granville Ambulance Fund, 707 Main Road, Granville, MA 01034.
