SIMPLE FORMULA FOR LIVING

Live beneath your means.

Return everything you borrow.

Stop blaming other people.

Admit it when you make a mistake.

Give clothes not worn to charity.

Do something nice and try not to get caught.

Listen more; talk less.

Every day take a 30 minute walk.

Strive for excellence, not perfection.

Be on time. Don't make excuses.

Don't argue. Get organized.

Be kind to unkind people.

Let someone cut ahead of you in line.

Take time to be alone.

Cultivate good manners.

Be humble.

Realize and accept that life isn't fair.

Know when to keep your mouth shut.

Go an entire day without criticizing anyone.

Learn from the past. Plan for the future.

Live in the present.

Don't sweat the small stuff.

It's all small stuff.

**“Scoundrels Who Made America
Great”**

The NCCHP museum at 42 Water Street is pleased to host Martin Henley, professor emeritus of Westfield State University and author, describing the heroic acts of some of America's most notorious scoundrels.

We like our heroes to wear white hats and our villains to wear black. Mr. Henley takes a fresh view of heroism by using dramatic events in the life of each “scoundrel” to illustrate how disreputable labels can obscure heroic deeds. Come hear what Benedict Arnold had in common with John Brown, Tokyo Rose and other scoundrels in America's history!

Living history programs are free for members, and donations are gratefully accepted from others. Light refreshments will be served after the program.

2018 summer museum tour hours: 12:00 – 3:00 on 2nd and 4th Sundays of the month. Tours are \$5 for Adults and \$3 for children 6-12. Group tours (for 10+) can be arranged for other days/times by emailing ncchp.org@gmail.com or calling 413-357-6321.

The NCCHP living history program is supported in part by a grant from the Granville Cultural Council.

GRANVILLE FIRE DEPARTMENT

The Granville Fire Department wants you to stay safe this Summer season!

By Lt. Tim Rickis – GFD Firefighter & Public Relations Coordinator

July brings Independence Day celebrations, Campfires, and lots of Yard Work!

Below are a few tips and reminders to help keep you and your family safe.

Fireworks:

The State Fire Marshal asks the citizens of Massachusetts to set a good example for children and leave the fireworks to the professionals. Enjoy the many displays of fireworks supervised by local fire departments and conducted by licensed professionals.

Children imitate what they see adults do and if you use fireworks, they won't realize how dangerous they are. Not only do sparklers burn at more than 1200 degrees Fahrenheit but they also encourage the use of matches and lighters by young children.

The possession and use of all fireworks by private citizens is illegal in Massachusetts. This includes Class C fireworks which are sometimes falsely called "safe and sane fireworks". Class C fireworks include sparklers, party poppers, snappers, firecrackers, spinners, cherry bombs and more. It is illegal to transport fireworks into Massachusetts, even if they were purchased legally elsewhere. Illegal fireworks can be confiscated on the spot.

Gasoline/Yard Work:

Over the past five years, Massachusetts hospitals treated 135 people for gasoline-related burns. Gasoline vapors ignite at a very low temperature. These fumes are heavier than air, and can travel a distance to find a spark.

At home, always store gas containers in a safe secure area, outside of living areas, (such as a locked shed or detached garage) and away from ignition sources such as pilot lights.

A spark or a lit cigarette is enough to light the invisible fumes that may linger on clothing. Wait for mowers and other gas powered machines to cool before refilling with gas.

If a fire starts while handling gasoline, don't attempt to extinguish the fire. Leave the area immediately and call 9-1-1.

Fire Pits/Campfires:

Fire pits have become increasingly popular in recent years. Unless they are being used primarily for cooking, however, they are technically subject to the MassDEP open burning regulation. If you do use a fire pit for cooking, the fire must be:

Kept to a reasonable size (3'x3'x3'), Located away from combustible materials, Contained in a non-flammable enclosure, and Tended by someone who is 18 years of age or older. Keep a water source and fire tools close by.

Remember to burn only clean, dry firewood. This will minimize the amount of smoke leaving your property and lessen the chance of causing a nuisance for your neighbors. GFD must respond to nuisance smoke complaints. Burning trash, refuse and other similar materials is not allowed.

The all-volunteer members of The Granville Fire Department are proud to serve our residents 24/7. Please visit our web page at <https://granvillefire.net/> or find us on Facebook! For Public Relations contact Tim Rickis at firedept@townofgranville.org

Harvest Fair meeting May 24, 2018

Although we were disappointed with the lack of response we received, we decided to keep the fair open 3 days this year. We will revisit the issue after this year's fair.

How we came to this decision was not easy, we had only 8 new people volunteer, which puts us in the same situation we have been in for many years.

Karen McLaughlin said the Church wanted to keep the fair for the 3 days, as did Liz Smith of NCCHP. Both will need many volunteers to help, they hope people will contact them closer to the fair. The Library, Jane Canfield, Sue Jones and Linda Dickinson wanted to keep it at 2 days, they do not have the help to move the heavy chairs and tables. Ron Bouwer of the Lions Club guaranteed the Lions members would help set up on Friday and take down Sunday or Monday if we kept to the 3 days. Linda Blakesley said the Green has never had volunteers during the fair but asked for help this year and 2 people volunteered.

The Fire Association wanted to come back and be part of our fair again selling Baked Potatoes. We have missed having them be part of the fair, and our committee we are pleased to have them back.

It was suggested we post who are the sponsors of the Harvest Fair and thank them, as of this time: The Church, Library, Lions Club, NCCHP, and the Green, Thank You all. We hope to add more sponsors as the Fair gets closer. As it was stated in the beginning the decision to keep the fair all three day was not easy, the harvest fair committee members not only work the three days, but we put in weeks' worth of hours to get to the opening of the fair. We are hopeful our community will appreciate our time and effort and help with their time. We thank those who signed up to volunteered, you will be getting a call closer October.

Thank you, The Harvest Fair Committee
