Morning Worship is held each Sunday at 10 a.m.
Church school runs concurrently with the
Worship Service, starting after the second hymn.
A **coffee hour** follows the service each week.

We sincerely thank all who support the Granville Church Capital Campaign. Pledge payments continue for one more year. Donations without pledges are still accepted. Just mark Capital Campaign in the memo on your check. We have been able to make many, many needed repairs and updates thanks to your contributions. Thank you!!!

We are in the process of replacing the stove. The new one will be gas and similar in size and function to the old one. (except that we will have ovens that work again!)

Another option for supporting the drive is to buy Fair Trade food products that are for sale at the coffee hour each Sunday. Very tasty, we've tried them all. Ruth Dickinson Berquist is in charge of this.

We have Big Y gift cards available for purchase. Please see Jean McMahon.

Granville-Tolland
**Dollars for
SCHOLARS®**
A Program of Scholarship America®

Celebrating over 40 years!

Where in the world...are the **Granville-Tolland Dollars for Scholars®**? Help us hear from the many recipients since 1974, our first year. Spread the news, Granville-Tolland Dollars for Scholars is on Facebook and has a website, www.granville-tolland.dollarsforscholars.org. We would love to hear from many past recipients sharing their story where their education has led them since graduating from college. "Like" our Facebook page and share a post updating your hometown friends and neighbors. Our local scholarship recipients follow their academic paths, near and far, as noted in this month's profiles.

June Scholars' Profiles:

Benjamin Deming of Tolland just completed his fourth year at **UMASS Amherst** and has a career aspiration to become Chemistry teacher. Upon completion of his undergraduate degree next year, he would like to pursue a Master's program in education and subsequently teach at a private school. Initially, Ben was not interested in education but through the organization, Girl's, Inc., he conducted several workshops to tutor girls from underprivileged areas to the campus science labs to help introduce them to the world of science. With this much enthusiasm, Ben is sure to instill and inspire many future students of science.

"This scholarship has allowed me to concentrate on my studies instead of working extra hours to raise my own funds."

Erica LeFebvre of Granville just recently finished her junior year at **Gettysburg College** in Pennsylvania. Erica is majoring in Computer Science and minoring in Music and Film. This multi-talented young woman funds her education by building sets for main stage performances and also installs A/V equipment for the Info Tech department on campus. In addition, her extra activities include Marching Band, Student Musical Theater, Women's Choir, Wind Symphony and Piano Studio. Upon graduation from Gettysburg, she would like to teach English in Spain as she was unable to go abroad during school. Her ultimate career goal is to attend graduate school for Web/Graphic Design.

"I am extremely grateful for every donor that has allowed me to have the opportunities and experiences that I have had. I love attending Gettysburg College and every donor helps make that possible."

Alexandra Platanitis of Granville has just completed her sophomore year at **Mt. Holyoke College**. She plans to major in Education and Psychology. While balancing her double major, Alexandra was faced with many challenging classes and determined to bring up a few grades to her current 3.8 GPA. It was no small task to do the work necessary to make this a rewarding experience. And speaking of hard work, she funds her education with a part-time waitress job on Cape Cod and also a part-time catering job in Otis, MA. Even though her current employment is temporary, she has earned an abundance of life-long people skills and how to handle a wide range of situations related to her jobs.

"Thank you very much for your generous donation to all of the Granville-Tolland Dollars for Scholars recipients. None of this would be possible without people like you."

Ashlyn Stromgren of Granville concluded her junior year at **UMASS, Amherst**. She likes to do a little digging around by working and analyzing sediment cores from Japan. This allows this Geology major and Anthropology minor to have hands-on experience. This demonstrates how

classroom knowledge can be applied to real life projects and gives this young woman a taste of what this career may have to offer. On the flip-side, Ashlyn is an active member of the **UMASS Theater Guild**. She looks forward to working on productions each semester and hang around with her friendly and talented peers.

"Thank you to everyone that helps out their local students by donating. It really eases us knowing that we won't have to carry this financial burden all by ourselves."

Reminder: Donations can be made online at our website or mailed to GTDFS, PO Box 214, Granville, MA 01034.
