GRANVILLE FIRE DEPARTMENT

The Granville Fire Department wants you to stay safe this grilling season!

Many people enjoy barbecuing in the summer months. But when grills are not used safely, things can go horribly wrong. In the past several years, Massachusetts fire departments responded to 431 fires involving grills, hibachis, and barbecues. These fires caused 20 civilian injuries, three firefighter injuries, and \$3.5 million in property damage.

Here are some tips for grilling safely:

- Grills should never be used on a porch, balcony or deck with a roof, overhang or wall.
- Place grills away from the house and deck railings.
- Make sure that the lid of a gas grill is open when you light it. Propane can build up inside and when ignited, the lid may blow off.
- If you smell gas while cooking, turn off and get away from the grill. Call 911 from a safe location. Do not move the grill.
- Always turn off the burners and close the propane cylinder when done cooking. Never leave a burning grill unattended.
- Propane storage: store cylinders upright in an outdoor, shaded area; do not leave cylinders in a vehicle.

Are you ready to grill?

- Check that all connections are tight before turning on the gas.
- Leaks can be detected by dabbing the connections with a solution of soapy water and turning on the gas momentarily. If bubbles occur, there is a leak that must be fixed before the grill is used.
- Clean the grease trap every time you grill.
- Replace propane cylinders that are old, rusty, or showing any other signs of disrepair.

Charcoal Grills

- Use only charcoal starter fluid. Gasoline and kerosene should not be used to start a fire in a grill. Never add lighter fluid to burning briquettes or hot coals. Doing so may cause a flash fire and result in serious burn injuries.
- Charcoal briquettes give off carbon monoxide, a colorless, odorless gas that can be deadly. Always use charcoal grills in a well-ventilated area. Never use charcoal grills indoors.
- For proper disposal of grill ashes, allow the coals to burn out completely and then cool for 48 hours before disposal.
- If you must dispose of ashes before they are completely cooled, thoroughly soak them in water before putting them in a metal container.

The all-volunteer members of The Granville Fire Department are proud to serve our residents 24/7. Please visit our web page at <http://www.granvillefire.net> or find us on Facebook! For Public Relations contact Lt. Tim Rickis at firedept@townofgranville.org

OBITUARIES

Suzanne “Nana” (nee Campbell), Dupuis

Suzanne, age 72, passed away Friday, April 27, 2018, at Mercy Medical Center in Springfield, MA after battling Gastric cancer. Suzanne was born on December 4, 1945 in Hartford, Connecticut to James and Marion Campbell. She attended Cathedral High School where she graduated in 1962. Formerly employed as an accounts receivable specialist at Baystate Gas, she retired in 2008 to spend more time with her loved ones. Sue was a kind-hearted woman, a loving wife and mother. She constantly spoiled her grandchildren and was always baking her famous chocolate chip cookies. Family was her main priority and being the family matriarch was the highlight of her life. She will be remembered fondly as a jokester and chatterbox. She arranged time everyday to call her loved ones just to check in and chat about life. For many years, Sue enjoyed spending time surrounded by family and friends camping and visiting the beaches of Cape Cod and Rhode Island. In her free time, she was an avid reader and enjoyed Lifetime movies. She had a keen eye for bargain shopping and looked forward to her daily shopping trips. Predeceased by her parents, her spirit is carried on by her husband of 52 years Donald Dupuis of Granville, MA; her son Brian Dupuis and his wife Renee of West Suffield, CT; her daughter Michelle Dupuis of Granville, MA; her grandchildren Zach and Bria Dupuis; and her brother James Campbell and his wife Andrea of Florida. The family encourages those who knew Sue to carry on her memory by performing a random act of kindness.

June supported many humane societies. She had a love for animals especially dogs, cats, horses and her goat Sophie. She enjoyed tending to her gardens and flowers. June was predeceased by her beloved husband Leo Lemelin in 2015. She is survived by her children, son Peter Lemelin of Ludlow and daughter Michele Smith and her husband Paul of Granville, and her sister Linda Major of Westbrook, CT. Mary Jo Lally

Mary Jo, age 62, of Granville, MA, born March 25, 1956 to the late James Edward and Helen (Flynn) Lally, passed away on March 8, 2018. Mary Jo spent most of her career in insurance, working with Underwriters Service Agency, Connecticut Mutual and most recently Lincoln Financial Group. She was musically inclined having played the guitar, piano and violin. Her fondness for music was complemented by her love for Motocross and affection for animals. She was predeceased by her horse Whiskey and her cat Hay Jo. She will be remembered by all for her warmth, her generosity, her sense of humor, her brilliant smile that would light up the room, and most of all, her contagious laughter.
