## March 1976 The Granville Country Caller was born.

The Town applied for and received a government grant to hire someone to help with assorted Town obligations. Some of this grant money was used to help with The Granville Council on Aging, (COA) which was a newly formed committee. To get the seniors involved in the community it was suggested they start a monthly newspaper. With the help of the COA and Emil Lesik, who was a newsman during World War 2, The Country Caller came to fruition. Soon after, Emil left the town and Donna Clifford (Shaw) was hired through this Government grant. The Country Caller officially became a paper in March of 1976. Fred Day was the artist who designed the original heading. This was accomplished by cutting the design into a wax coating on the duplicators master sheet. Articles were submitted by town folks, arranged and typed onto masters. Each master was then attached to the drum of the Gestetner duplicating machine. With each hand rotation a page of the Caller was copied. For the seniors to complete one paper each page was collated by hand and then stapled. As you can see we have come a long way baby!!

Original appointed COA Members were: Ethel Anderson, Richard Demming, Phyllis Hodston, Helen Day, Karen Laptew, and Dorothy LeClair. (our apologies to anyone we have omitted, after 40 years memories fade).

## Day of Service

Dr. Martin Luther King, Jr. once said "Life's most persistent and urgent question is – What are you doing for others?"

In January, the students at the Granville Village School participated in a community service project. The project's goal was to distribute 100 Emergency kits to some of the senior citizens of Granville.

A Pajama Day was held on January 14 for grades K – 6<sup>th</sup>. Working on a leadership goal set by Mrs. Rigby, the school counselor; the fifth and sixth graders created posters, and collected and recorded the donations from each class. The funds were used to purchase some of the supplies. Other donations covered the remainder of the items needed.

On January 19<sup>th</sup>, the fifth and sixth graders assembled the emergency kits which included: a bottle of water, a granola bar, and emergency blanket, a glow stick, and an information card. The students stayed focused on the task and completed the project goal with enthusiasm and pride. Karen Vogal, the C.O.A Outreach Worker, observed the students at work and thanked them for their kindness to the senior citizens. Through her outreach visits, she planned on distributing the kits.

Thanks go to the Granville Village School students and staff, Mrs. Rigby and the fifth and sixth graders, and Karen Vogal for their support of this "Day of Service" project. You all made a great TEAM!

## 2015 NEWSLETTER OF THE GRANVILLE-TOLLAND DOLLARS FOR SCHOLARS®

On behalf of all the volunteers and scholarship recipients of the Granville-Tolland Dollars for Scholars®, our heartfelt thanks to all patrons and sponsors for their generosity in supporting the Chapter's ongoing work. We are pleased to share our activities over the past year.

Scholarships were awarded to **28** undergraduate students from our two towns, totaling **\$28,010** in 2015. Scholarships are based upon merit, incentive and history of community service.

Our on-line application located on our website, [Granville-Tolland.dollarsforscholars.org](http://Granville-Tolland.dollarsforscholars.org) provides access for students to apply for scholarships conveniently and from any location.

The 2015 Mail-a-thon generated **\$9,840.15** and with other fundraising efforts raising **\$2,736** (Harvest Fair proceeds, etc.), a total of **\$12,790** was added to this year's available scholarship funds.

Scholarships were provided, honoring the following creators of our permanent endowment: Dorothy Miller, Jane & Stuart Watson, Everett O. and Miriam T. Rockwell, Walter A. and Katherine E. Phelon, 1st Lt. Travis Fuller, Elizabeth Meiklejohn Memorial Endowment and the Robert & Gloria Gery Endowment. Benefiting from positive market performance and sound investment strategies, the endowment investment returns also provided significant monies for the scholarship funds.

In 2015, we welcomed a new endowment to our organization. The Tolland Ladies Aid Society has opted to transition their annual scholarship to our organization, with the creation of The Ladies Aid Society of Tolland Honoring Bertha Fowler

Hale. This scholarship will be awarded to a GTDFS applicant each year, with Tolland residents as the primary recipients.

Through the continued generosity of the Granville Village School's teachers and staff, Granville-Tolland Dollars for Scholars recipients continue to be beneficiaries of the school's Dress-Down Days fundraiser.

We participated in Granville's 2015 Harvest Fair by providing an inflatable joust booth for kids and families and a 50/50 raffle. We wish to thank our student volunteers and local sponsors, who are listed below. Special thanks to our raffle winner, Ron Bower from Granville, who kindly donated his winnings back to us!

### CONTINUED

Without student volunteers, committee members and especially our generous sponsors and patrons, the Joust booth and our first annual raffle would not have been possible. The money raised from these events will go directly toward scholarship funds for the 2016-2017 academic year.

We are greatly appreciative for the continuous trust and support from many individual patrons, sponsors and those who established named endowments. Collectively, this financial support provides valuable financial assistance to our Granville-Tolland undergraduate scholarship recipients.

## School Committee Update:

### A Note from Your Representative

On Tuesday February 2, the Regional School Committee voted to begin a "STRSD School Utilization/Transportation/Maintenance Study to inform the committee about long-term trends and future decisions". The vote passed 5-1 and I was the only member to vote "NO". Below is the statement I made to the committee prior to voting...

*To reflect the views of my constituents I cannot vote in favor of initiating this study, primarily because it is a deviation from the original 5-year regional plan. Also, given how valuable the GVS was to the district during the building project, I feel that the timing of this study is inappropriate and sends a very negative message to Granville residents.*

*I understand that if I am the only committee member to vote no, the study will proceed. I do support the committee's interest in having an outside organization do the study and I agree with Dr. Barry that the scope of the study should be expanded beyond what is stipulated in the regional agreement.*

*Based on conversations that I have had with parents in all 3 towns, I have a really hard time believing that additional Southwick and Tolland residents are not interested in sending their students to the GVS. Unfortunately transportation and access to before and after-school child care are not currently available, and this is an enormous limiting factor for many families. I'd like to see these issues, among others, examined as part of the study. As I stated during our previous meeting, rather than seeing this very special school become permanently closed, I'd like to see it become more available to ALL students within the region. It is my hope that this study will reveal strategies to make this possible.*

### So what happens next?

Here's what I know... The study will not begin immediately. The School Committee vote simply authorized the Superintendent and the School Business Manager to develop a Request for

Proposals (RFP) so that the committee can select and hire an outside agency to conduct the study. This may take several months. Then, the Superintendent and School Committee will select who conducts the study based upon the responses generated by the RFP. The study itself will take several more months (I'm hoping at least 6) and then the results will need to be carefully reviewed by the District and the School Committee. At that time, I will request that the Superintendent host a public informational session to inform the members of all three communities of the study's outcome. (By then Dr. Barry will have retired and a new Superintendent will be at the helm.)

It is my hope that the study will find no significant cost savings or educational benefits to closing the Granville Village School. It is also my hope that the study will highlight strategies for increasing student enrollment so that the school will not only remain open but become a more valued component of the District.

If, however, the results of the study lead the committee to pursue closure, the regional agreement stipulates the following:

A public hearing must be held prior to the vote of the Regional School Committee.

A vote to close the school requires a two-thirds majority vote of the Regional School Committee with representatives from at least two towns voting to support closure.

The town (Granville) still maintains control and ownership of the facility and may utilize the facility as it sees fit.

No matter what happens, the **GVS WILL remain open for the upcoming 2016-2017 year**, and probably the following year as well. As always, I will continue to advocate for our school and community. If you have any questions or comments, please do not hesitate to call or email me.

Thank you,

## Granville Parents Association Newsletter

The GPA has been asked to pay for the transportation to Maple Corner Farm for the yearly ski trip. We have granted this request as well as the request for the GPA to pay for the K-2 field trip to City Stage.

GVS held it's 100th Day Celebration on February 12th. The GPA donated the ice cream toppings and the Gran Val Scoop donated the ice cream. This is a wonderful town tradition held every year.

Mr. Baker has asked for some new items for recess. We have granted his request and will be purchasing new playground balls, hula hoops, jump ropes and more. The money used to purchase these items comes from our Box Top Contest. Please continue to save your Box Tops to help GVS! They can be dropped off at the school, town hall and library. Any questions please contact Sarah Beckman, Box Top Coordinator.

We are planning our Annual Easter Egg Hunt at Maple Corner Farm. We will be putting out bins to collect candy and egg fillers. We are also looking for volunteers to help with set up and clean up. Contact any officer if you would like to help.

The GPA will be hosting a BINGO Family Night at Maple Corner Farm on April 15th at 6pm. All town members are encouraged to come out for a night of family fun! More info will go home with the GVS students as well as flyers put up around town. If you would like to donate a prize for the BINGO please contact Aimee Chapman or Cathy Macintyre.

Elections will be held at our May meeting, May 10th 2016, for our President and Vice President. These positions have a 2 year term. If you would like more info and/or to run for one of these positions please contact an Officer.

We welcome all Granville residents to our monthly meetings. They are always held on the second Tuesday of the month at 5:30pm in the school cafeteria. Babysitters are provided. We love to see new faces and hear new ideas. The GPA is not only here to help GVS but we are also involved in bringing the town together for different events and fundraisers, We look forward to seeing you on March 8th.

Thank you,  
Ronnie, President
