WESTFIELD RIVER WATERSHED ASSOCIATION

The Westfield River Watershed Association (WRWA) and the Western Mass. Fly Fishermen will offer a

Free Introduction to Fly Fishing Clinic

Saturday, September 12

from 9:00 a.m. to 1:00 p.m.

The clinic will take place on Route 20 in Huntington, Mass., in the turnout on the Westfield River, across from the Huntington Health Clinic.

People can drop in throughout the day and watch a fly tying demonstration, as well as practice casting. If they own a fly rod and want to learn more about using it, WRWA encourages them to bring it to the clinic. In addition, a biologist will be on hand to net insects from the river and help participants learn to identify them under microscopes.

There will be a portable toilet on site. The clinic will be held rain or shine, barring extremely stormy weather.

The Westfield River Watershed Association was established in 1953 to protect and improve the natural resources of the watershed, as well as to expand recreational and other land use opportunities for people's enjoyment and for sound ecology. To learn more, visit www.westfieldriver.org.
