## GRANVILLE FIRE DEPARTMENT

### The Granville Fire Department has some reminders:

By Lt. Tim Rickis – GFD Firefighter & Public Relations Coordinator

September – Trees, Shrubs and Flowers are in full growth – are they hiding anything?

Below are a few tips and reminders to help keep you and your family safe.

#### Seconds Count in an Emergency

- Protect your family and your property by having large visible house numbers.
- Firefighters, police officers, and paramedics find you faster when your home is properly marked.
- A visitor, child or injured person may be unable to give clear directions.
- Emergency personnel from a neighboring community may be unfamiliar with your area.

#### Use Large Visible Numbers

- Numbers need to be at least 4-inches in height and facing the street.
- Put the numbers under lighting, and use numbers with a contrasting background, so they will be visible at night.
- If your driveway is long, post your house number on both sides of a mailbox or sign pole at the end of the driveway near the road.
- Be sure to keep numbers visible by trimming trees, bushes and flowers.

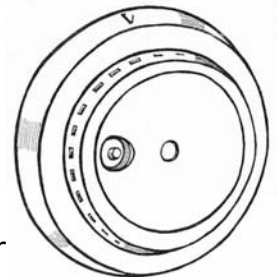

### Winter is Coming!

We know no one wants to think about the colder weather yet, but consider this - in a couple of short months, heating season will be upon us. Crisp October air is closer than you think! With the warm weather, most of our furnaces and stoves have been getting a well-deserved rest. Now is the best time to have your heating equipment cleaned and inspected, chimneys cleaned and inspected, before you start really needing them again. Take the time now to ensure a worry free and safe fall and winter! While you are at it – check and test those Carbon Monoxide detectors to make sure they are in good working order.

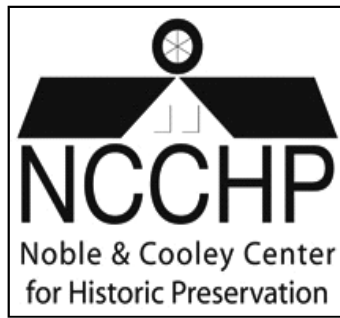

#### Smoke and CO Detector program is coming back!

The GFD will be partnering with the American Red Cross again to provide and install 10 Year Battery Smoke and/or CO detectors to Granville

residents in mid-October. Details and sign up information will be coming out soon in flyers around town and on our Facebook page, as well as the Granville Community Forum page.

The all-volunteer members of The Granville Fire Department are proud to serve our residents 24/7. Please visit our web page at <http://www.granvillefire.net> or find us on Facebook! For Public Relations contact Tim Rickis at [firedept@townofgranville.org](mailto:firedept@townofgranville.org)

Bring your family and friends for an evening of live music and nostalgia at “Guess That TV Theme Trivia Night” on Thursday, September 20th at 6:30 PM at the NCCHP Museum at 42 Water St. in Granville. The seven musician Premier Swing Band will perform their very popular TV music theme program that will test your music skills and challenge you to name the show and its characters. It promises to be a social night of entertainment for all ages... especially for anyone who has watched television (or reruns of old shows) from 1950 through the turn of the century. Don't miss this fun event!

The free Living History programs at the NCCHP museum are made possible in part thanks to a grant from the Granville Cultural Council and by donations from members and friends of the museum. Thank you for your continued support in 2018. Light refreshments will be served following the program. For more information visit the NCCHP website [www.ncchp.org](http://www.ncchp.org) or call 413-357-6321.

September is Recycle month. Please support the museum's fundraising event by bringing your old, broken, unused, obsolete electronic items to us. We charge nominal tax deductible fees based on the type of item and you get rid of unwanted clutter... it's a win-win situation! From cell phones, computers and gadgets to tv's, washers and refrigerators... we take it all! See a list of items and related fees on our website.

The NCCHP museum is looking for volunteers to help over Harvest Fair weekend (October 6-8). The museum will be open for tours all three days and hosting the Westfield River Brewery, The Crepes Tea House (with an expanded menu) and the wonderful barbecue of Chef Matt from CPC Craft Meats and Smokehouse in Southwick. Eric the Blacksmith, the Forest Park Zoo and small engine demonstrations will be located at the museum during the fair as well. If you are interested in volunteering for a few hours during the weekend, please send an e-mail to [ncchp.org@gmail.com](mailto:ncchp.org@gmail.com) and we'll send you specifics. Remember, time volunteered counts towards community service hours! Thanks in advance for your support.
