TOWN OF GRANVILLE POLICE DEPARTMENT

NOTICE OF ROAD CLOSURE

On Sunday October 13th the Granville Police Association and Granville Fire Association will be hosting a 5K race from 9:00am – 11:00am. The race will begin at The Gran-Val Scoop and the runners will head north on Granby Rd., then onto Silver St. until the CT line. The runner will then turn around and return to the Scoop on the same route. During the race the route will be closed to all motor vehicle traffic. If you have any questions about this event or the road closures, please contact Lt. Patrick Winslow at pwinslow@townofgranville.org.

OUR COMMUNITY

With life as busy as it is these days, it becomes more and more difficult to find volunteers to actively participate in town functions. The Woodlands Cemetery Association is very much in need of additional officers. For those who would like to feel a sense of community belonging, who would enjoy discovering the history of our town and who would be happy to accept some responsibility for service to our town and its families, the Association would love to have you. It is a feel-good endeavor. Please contact us at WoodlandsCem@comcast.net.

Business Certificate:

What is a Business Certificate?

Commonly known as a "DBA" ("doing business as"), a Business Certificate creates a public record of the name and address of the owner(s) of a business. This also includes anyone operating any type of home-based business. Consumers are entitled to this information and it may not otherwise be readily available.

Who must file a Business Certificate?

Massachusetts General Law Chapter 110, §5 states that any person conducting business in the Commonwealth under any title other than the real name of the person conducting the business, whether individually or as a partnership, shall file a Business Certificate in the office of the Town Clerk of every city or town where an office of any such person or partnership may be situated.

Under Massachusetts General Laws Chapter 110, §6 a Business Certificate is not required if a corporation is doing business under any title which includes the true surname of any partner. Certain other associations and partnerships may also be exempt (refer to above citation for details.)

How do I file or renew a Business Certificate?

Forms are available by mail, on the town website, or in person. Each person named on the Business Certificate must either sign the form in person at the Town Clerk's Office or have their signature notarized on the form by a Notary Public. Filing a DBA does not protect your business name. The filing fee is \$30.00 and good for four years. Proper identification will be required.

Does the filing of a Business Certificate protect me from others using the same name?

No. The protection of a trademark (word, name, symbol or device) in Massachusetts is accomplished through the Secretary of State's Office.

Information about starting a business in Massachusetts can also be found on the States website www.mass.gov

CONTINUED ON NEXT PAGE

CLERK'S CORNER CONTINUED

What if I discontinue or withdraw from the business or move to another location?

A Statement of Discontinuance, Change of Residence form must be completed and filed with the Town Clerk if one of the following occurs before the expiration (discontinuance or information change filing fee is \$10.00):

- Business is discontinued,
- One or more persons named on the certificate is withdrawn or retired from the business or partnership,
- Change of residence of one of the named persons on the certificate, or
- One or more of the persons named on the certificate dies.

Vital Records

Birth records are filed based on residence. If you are a resident of Granville at the time of the birth of your child, then the child's birth certificate will be filed in Granville. Death records are filed in the community in which you died. Certified copies of vital records (Birth, Marriage, Death) are \$10.00.

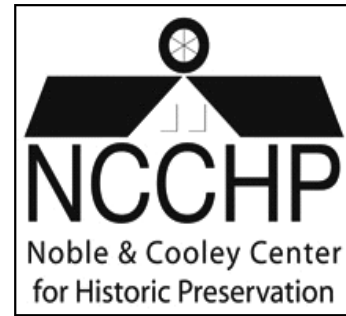

Notary Public

The Town Clerk, as well as the Town Administrator/Matt Streeter are Notaries Public. If you need our services, please call either of us and make an appointment. The service is free of charge to Granville residents.

**THANK YOU
from the family of
JUDY SEARS JORDAN**

It's hard to know where to start. Patrick asked me what I wanted to do for a service for Judy and I said she just always wanted a party. The next think I knew, Greg and Eileen have a tent, tables, and other stuff set up in front of the Old Meeting House. Bobby organized a menu of food donated by friends, family, townsfolk, and customers of our garage. Bobby, Dot, Kay, Fran, Dena, and Jean, did an amazing job serving food and drink and cleaned up after what they guessed to be 200+ people. All on one of the hottest days of the year. There was a large tub outside that magically kept filling itself with water, ice, and other refreshing drinks. Pat and Ed made it festive with flowers all around the tent and inside the Meeting House while other flowers showed up from I don't know where.

Patrick played MC and organized people to speak and even kept his speech short and sweet enough. (I know that was tough for him). Bob and Mark cooked beef and chicken for the family for supper that night. The Granville Store, Hilltown Pork, Party Plus, the Scoop, and the Granville Church all contributed while other neighbors, family, and friends did things from parking and polishing bikes to making kickstand blocks. Frank provided the large thermos of water waiting for the ride to get underway, Paul handed out leis, Jim passed out memorial helmet stickers that he had made, and Dave captured the day in pictures. I apologize to any people I missed who deserve recognition.

The bike ride in the morning went off without a hitch. Judy's ashes rode with me on the backseat of a bike that Wayne from Ronnie's Harley loaned me. Granville Chief Rick led the 3 hour ride with his personal antique police car. (Judy loved that car). He took our two oldest grand kids with him. It was explained to the kids later that it's not always fun to ride in the back of a police car. Just ask Uncle Mike.

Between Chief Rick and my brother Russ, we had state police, Cummington police, and other local police at intersections which kept our group of about 40 motorcycles together. Russ even had sani cans set up in the middle of the ride for some of the old guys. Ray brought a cooler of water ready to keep us hydrated. 50 - 60 bike riders... I didn't know I knew 50 people, let alone 50 who rode. My kids and I enjoyed riding with all the bikers -all there for Judy.

We appreciate all of the help and donations that made the celebration of Judy's life a success. We were just overwhelmed by all of the people who showed up on that hot 20th day of July to show their love and offer support.

**Again, thank you all,
from the family of

GRANVILLE FIRE DEPARTMENT

The Granville Fire Department has some reminders:

By Lt. Tim Rickis – GFD Firefighter & Public Relations Coordinator

September – Trees, Shrubs and Flowers are in full growth – are they hiding anything?

Below are a few tips and reminders to help keep you and your family safe.

Seconds Count in an Emergency

- Protect your family and your property by having large visible house numbers.
- Firefighters, police officers, and paramedics find you faster when your home is properly marked.
- A visitor, child or injured person may be unable to give clear directions.
- Emergency personnel from a neighboring community may be unfamiliar with your area.

Use Large Visible Numbers

- Numbers need to be at least 4-inches in height and facing the street.
- Put the numbers under lighting, and use numbers with a contrasting background, so they will be visible at night.
- If your driveway is long, post your house number on both sides of a mailbox or sign pole at the end of the driveway near the road.
- Be sure to keep numbers visible by trimming trees, bushes and flowers.

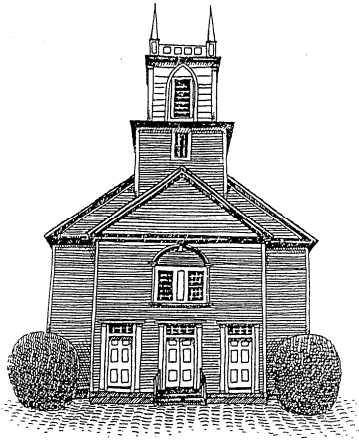

Winter is Coming!

We know no one wants to think about the colder weather yet, but consider this - in a couple of short months, heating season will be upon us. Crisp October air is closer than you think! With the warm weather, most of our furnaces and stoves have been getting a well-deserved rest. Now is the best time to have your heating equipment cleaned and inspected, chimneys cleaned and inspected, before you start really needing them again. Take the time now to ensure a worry free and safe fall and winter! While you are at it – check and test those Carbon Monoxide detectors to make sure they are in good working order.

Smoke and CO Detector program is coming back!

The GFD will be partnering with the American Red Cross again to provide and install 10 Year Battery Smoke and/or CO detectors to Granville residents in mid-October. Details and sign up information will be coming out soon in flyers around town and on our Facebook page.

The all-volunteer members of The Granville Fire Department are proud to serve our residents 24/7. Please visit our web page at <http://www.granvillefire.net> or find us and like us on Facebook to receive updates on what we're up to! Many thanks to all the musicians who provided the special music during the summer. We really enjoyed and appreciated your willingness to share your talent with us. Our pastoral search process continues. We've met many different ministers and heard their messages over the summer. Two of our supply ministers were the Associate and Executive leaders of The American Baptist Churches of MA. They both loved Granville and were very encouraging and had lots of great advice. Hopefully we will have an interim minister in place soon who will assist us in our search for a settled minister. That could take a year or two, so stay tuned. We're getting there!

THE HARVEST FAIR IS APPROACHING! OUR CHURCH WILL BE ACTIVELY PARTICIPATING BOTH AT THE CHURCH AND AT THE SCHOOL. AMONG SOME OF OUR OFFERINGS WILL INCLUDE VENDERS IN THE FELLOWSHIP HALL AND OUTSIDE THE CHURCH, HOT DOGS AND HAMBURGERS COOKED ON THE GRILL AT THE FRONT OF THE CHURCH, OUR FAMOUS MAPLE COTTON CANDY, POPCORN, AND A WONDERFUL QUILT DISPLAY BY THE QUILT GUILD IN THE SANCTUARY. THERE WILL ALSO BE VENDERS, HOT HOMEMADE SOUPS, AND PIE AND COFFEE

AT THE SCHOOL. WE CAN ALWAYS USE MORE HELP. IF YOU CAN DONATE SOME TIME, PLEASE CALL BOBBI AT 357-0914. THANK YOU!

Big Y gift cards are available. Please see Karen McLaughlin to purchase them. A percentage of the sale goes to help support the church.

HELP FEED THE ORPHANS!

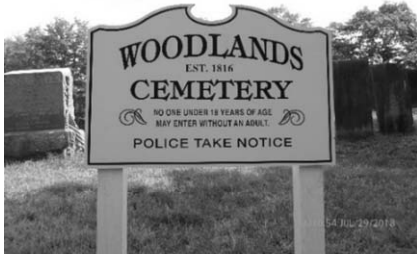

Each month for several years now, I have sent \$150 to the Agape School in eastern Uganda to help feed the hundreds of orphans living there. I am looking for ten people to donate \$5.00 each per month to assist in this outreach. People of Granville were wonderful and last year I received the \$50, enough for each month. HAVE A HAPPY AND SAFE SEPTEMBER!

Woodlands Cemetery Update and History.

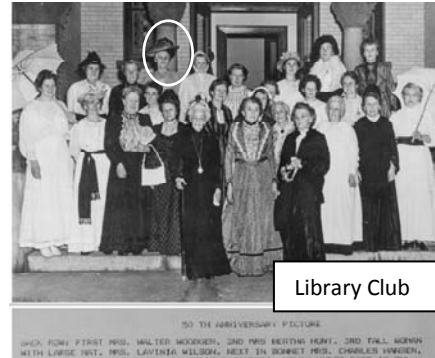

September brings blue skies, purple asters and a hint of beautiful foliage to accent our little country cemetery.

In the update category, Timothy Mather Cooley's fence has been repaired after having been hit by a vehicle in 2008. Plus we have a new welcome sign for the front gate and an "Information" box containing a list of graves with their GPS coordinates to aid visitors and family members.

Much of our history is preserved forever in Albion B. Wilson's *History of Granville, Massachusetts* published in 1954. Albion was born in 1872 in Weathersfield, VT, attended VT country schools,

Dartmouth College and Harvard Law. He then moved to Hartford, CT to practice law. He married Granville's Lavinia Rose, daughter of Miles J. Rose and Sophia Beach Rose. Lavinia graduated from Mt. Holyoke College in 1901, taught mathematics at Wilbraham Academy and was very involved in Granville's Library Club. For

Albion B. Wilson

Albion, what started as curiosity about Granville's beginnings, developed into a serious interest, and with extensive research, eventually resulted in a full-fledged published history of the town that they both loved. Lavinia saw to the publication of the book after his death in 1950.

The house where Lavinia grew up became the summer home of Albion and Lavinia where they lived 6 months of the year. It was built about 1880, purchased by Miles and Sophia Rose soon thereafter and is historically known as the Miles J. Rose house. Lavinia and Albion were married in the front bay window of the house. It is easily recognizable as the stately white home at 458 Main Road on the corner of Main and Old Westfield Roads. Lavinia continued to spend summers here for 18 years until 1968. The house

remained very much as it was when she was a child. There was minimal wiring, no insulation, no storm windows, no plumbing except for a hand pump in the rudimentary kitchen....and a 3-holer in the barn. When the Connors purchased it in 1969, they had an historic house that was unblemished by generations of modifications. They had somewhat of a blank slate to work with and lots to do. It is now up to date and the Connors still live there.

Lavinia's parents: Miles J. Rose and Sophia Beach Rose.

Miles, Sophia, Albion and Lavinia are buried at Silver St. Cemetery.

Information and photos are credited to Granville Library's Historic Image Library and Merrilee and Jim Connors. The Library has a link to the on-line full text of Albion B. Wilson's *History of Granville, Massachusetts*. And recently, Lavinia family member Janet Donston has donated numerous related items to the Image Library.
